

The Secret of Father Brown - G. K. Chesterton

**The Secret of Father Brown
G. K. Chesterton**

This is the fourth collection of mysteries featuring the very smart and even more devout catholic priest, Father Brown. (It follows *The Innocence of Father Brown*, *The Wisdom of Father Brown* and *The Incredulity of Father Brown*.)

Father Brown is probably the most unconventional detective of fiction: short and dumpy, extremely shy, unvaryingly kind, and utterly unselfconscious.

His secret? As a priest he has developed a far-reaching understanding of how we all feel and think. Being profoundly humble, he is able to imagine how he, personally, could be led to commit a given theft, murder or other crime. With this in mind, he is generally able to figure out who did commit it. - Summary by Kirsten Wever

Read by Kirsten Wever. 18 Tracks. Total run time: 08:48:09
